Projects

SocialBook

Nov. 2017 to Current

Managed user authentication through BCrypt by encrypting and hashing incoming passwords.

Utilized SQL join tables in order to obtain a user and friend posts for newsfeed.

Maintained limited AJAX request and onload efficiency by slicing information and saving it to appropriate location in the Redux store.

Implemented efficient image upload to the cloud using AWS, increasing app scalability.

Saviors

Nov. 2017 to July 2018

Applied HTML5 canvas API to render and maintain game framerate at 60fps.

Maintained efficiency by implementing multiple canvas screens which separate loading and refresh time for Enemy, Ship and Background.

Created animation effect for in-game ship movement with a chronometer that refreshes at 2fps.

Implemented sprites for an exceptional user experience and event handlers for user interaction with the game.

DomQuery

Nov. 2017 to Dec. 2017

Executed native DOM API which managed core manipulation of the DOM elements and event handling.

Employment

Don Karpov

NY, NY

Wedding Videographer

June 2016 to Dec. 2016

Coordinated scheduling for onsite preparation for the church and venues.

Ensured equipment was in top condition before each wedding event.

Produced short videos for clients regarding memorable events occurring in their wedding.

NES Language Schools

Tokyo, Japan

English Language Instructor

June 2013 to June 2014

Instructed CEOs and COOs from world-renowned Japanese companies in business-level English.

Taught students various aspects of Western business etiquette as it pertains to professional interactions in the United States.

Embassy of the United State of America, Agricultural Trade Office

Tokyo,
Japan

Foreign Agricultural Service Intern

Nov. 2011 to May 2012

Assisted with the development and implementation of marketing strategies aimed at improving business conditions for U.S. agricultural companies in Japanese markets.

Supported the U.S. Embassy at major international trade shows to promote American agriculture in Japan including the Supermarket Trade Show and FOODEX.
